Membership Information

Founded in 1842, Cumberland University has been known as a prestigious liberal arts university for nearly two centuries and now has a living alumni base of over 13,000 alumni. With that being said, Cumberland just wouldn't be what it is today without the generosity and support of alumni like you. By purchasing a membership in ***The 1842 Society***, you help strengthen the alumni association and CU while also receiving benefits just from being a part of it. With your support, we can provide popular programs, services, and resources for our alumni and students.

Did you know universities are ranked based on alumni giving? Your membership will go towards CU's alumni giving percentage to support and benefit current and future CU students.
